ABOUT · PRECISION AUDIO FACTORY

The factory behind precision audio.

Yiertek designs and manufactures audio hardware in Dongguan, China. Wooden music centres, automatic and suitcase turntables, micro systems, Bluetooth speakers and Internet/DAB radios — developed in-house and shipped under our partners' brands.

Founded in Dongguan

2019

Shipped to North America · Europe · Southeast Asia · Russia

BUILT AROUND YOUR BRAND

OEM & ODM

Audio products developed in-house and supplied under your brand.

Design & engineering

Industrial design, structure and electronics developed together, from form and finish to performance.

Manufacturing

Tooling, assembly and quality control coordinated through the production process.

Market preparation

Product specifications and applicable standards confirmed for each destination market.

Assembly line, Dongguan

THE FACTORY

Designed, tooled and assembled in Dongguan.

Industrial design, structure, electronics, tooling, assembly and quality control all happen on one site in Dongguan. Nothing central is subcontracted, which is why a change to a drawing never becomes a change of supplier.
